THE NEW EXPERIENCEQUARTER

The new valley station of the SchafbergBahn, aptly christened the ExperienceQuarter, greets you not only with a large and sunlit guest hall with ticket counter, but also a souvenir shop and an events area that can even be used outside the cog railway's regular hours of operation.

Additionally, guests are offered a museum zone that delves into the history the SchafbergBahn and Wolfgangsee-Schiffahrt. An old locomotive from 1893 serves as the centerpiece of the exhibit.

RESTAURANT EQ

There is also no shortage of culinary enjoyment at the “EQ”, the restaurant of the new ExperienceQuarter: Here, you will also be able to enjoy the breathtaking views of Wolfgangsee and the Schafberg, and the most delightful lake terrace anywhere on Wolfgangsee.

And what's on the menu at the new EQ? Dishes that would likely have appealed to Austrian nobility “back in the day”, but given a whole new, and quite irresistible interpretation! Chef Mario Köstl serves delicious, classic Salzkammergut cuisine which, like himself, has a certain international touch. And always with seasonal ingredients from local farmers as well as products from regional partners.

SALZKAMMERGUT LAKE STAGE

Born in 924, 2024 is the 1100th anniversary of the birth of "Hl. Wolfgang". Reason enough to dedicate a stage play to him. The Salzkammergut thus gets a lake stage. In spring 2024, the play *Wolf ≈ The Mystical* will be performed on Lake Wolfgangsee for the first time. As the exclusive logistics partner, WolfgangseeSchiffahrt ferries will take you exclusively via waterway to the impressive lake stage.

Wolf ≈ The Mystical

The musical drama explores and illuminates the big questions of human existence. The life of St Wolfgang shows the inner conflict between hedonism and contemplation.

Details:

- Dates: 23 May - 22 June 2024
- Music: Gerd Hermann Ortler
- Libretto: Franzobel
- Location: Seebühne Ried am Wolfgangsee
